DEMOCRACY DEFINED

World War I was fought for the purpose of preserving democracy and its ideals. Today, the fight is for the "Four Freedoms" to guarantee us that democracy. It is fitting that on this Independence Day, we re-word in our thoughts the basic fundamentals on which our government is found and review the ideals toward which she progresses.

"What is democracy" is answered by Charles E. Merriam in the following passages in summarized form.

Democracy is a form of political association in which the general control and direction of the commonwealth are habitually determined by the bulk of the community in accordance with appropriate understandings and procedures, providing for popular participation and the consent of the governed.

Democracy is an ideal form of association and its implements have been the suffrage, the representative council, the apparatus of civil liberties, and finally, sound and administrative organizations and systems of adjudication.

Democracy is not dependent upon or limited by size, nor is it dependent upon any economic system. It is not a racial phenomena and is not inevitably associated with any special form of political cohesion.

The ways and means of a democratic state may change but its ends and ideals are not given up.

Democracy's strength lies in two categories:

1. The knowledge that democracy is the end, the ideal state, the highest type of association that the human mind has been able to conceive, in which the dignity of man will be preserved and his progress made possible in an orderly society.

2. The fact that it is flexible and readily adapted to change--it can change and move without abandoning its basic principle of the consent of the governed and its protection of human personality and the common good.

Some say that force will make reason yield in this era, but the answer is that reason itself is the greatest force in the world and in the end, it will prevail. Yet reason must be allied with will, with faith, with hope, with practical judgment.

The torch of democratic ideals will be carried forward by those whose stout hearts are unterrified and unintimidated by threats, scowls and blows. Men with clear eyes can discern and point out the sounder courses.

But all this cannot come to pass and will not come to pass without much searching of the mind, heart and soul in readiness for one of the greatest tests in recorded time. If we can look the facts in the face and not deny what we do not like; if we can consult our fears less and our hopes more; if we can think more in terms of the present and future and less in terms of the past; if we can show inventive ability in social and industrial arrangements, equal to that developed in technological advancement--if we can do all these things, then we can realize the promise of modern life and of the American life more fully than even the prophets have ever dared to hope.

4TH OF JULY SHOW

Three-day Jamboree Features "Ondo," Revue

July 4th is here again! Keeping up the historical tradition, Rohwer will observe the national holiday with a three-day Fourth of July Jamboree.

Fun galore--music, entertainment, excitement, gaiety, surprises, heated sports competitions, inspiring programs--will be in promise for all, both

young and old, to provide a "hotter and noisier" holiday spree than the traditional fireworks.

With the first-pitched ball in the Dodgers vs. Three Stars baseball game this afternoon on the Junior high field, the official celebration will start.

Tonight, from 8 o'clock, Centerites will gather at

the high school field for the gala, colorful and musical "Ondo."

"Ondo" participants and spectators may quench their thirst at the Girl Scouts soft drink booth erected on the ground.

On Fourth of July, following the church services of the morning hours and the various sports exhibitions of the afternoon, the evening will be climaxed by the All-Center "Talent Show" on the high school field.

Highlights of the revue will include: vocal solos by Richard Doi and Graco Sumida; the Rohwer orchestra; odori by pupils of Yuriko Umatsu; manzai by Toshiyuki Baba and Masaru Sakai; odori by pupils of Dansho Miyazaki; harmonica solos; popular Japanese songs; naniwabushi; shigin; tap dances by Jennie Ando and Marion Yamamoto; and "blues" by Hisa Hananouchi. Audience of the two-hour show is asked to bring own chairs.

Observance of the national holiday will be fittingly concluded with the Independence Day program Monday night at 8 o'clock on the high school field. Lamar Williamson, attorney and Rotarian of Monticello, Ark., will be the main speaker. Local administrative and Center leaders will participate. A community sing will be held.

REPORTERS FROM NEARBY STATES SEE LOCAL SIGHTS

Rohwer played host to 19 newspapers and radio men during open house Wednesday and Thursday. Among the guests were members of the press from Louisiana, Mississippi, Missouri and Arkansas papers.

The major part of the itinerary included visits to the Center farm, hospital, Ad buildings, mess halls, schools, warehouses, construction and resident blocks. With permission, some of the private homes were visited.

Thursday afternoon Regional Director E. B. Whitaker and the guests were treated to a brief talent show in the YWCA room in Block 41. Among those on the program were vocalists Grace Sumida, Marie Kuramoto and Hisa Hananouchi.

ART & HANDICRAFT SHOW

Opening its doors to the public tomorrow for a five-day run will be the art and handicraft exhibit in PS hall 24 from 8:30-11:30 a.m. and 1:30-9:00 p.m.

Under instructor Yoshio Yoshioka, nearly four months were required to complete some of the articles shown.

Those displaying wood-carvings are C. Tamura, T. Mitsuda, F. Yoshioka, T.

Hirano, R. Sakakura, F. Mori, G. Yamashita, S. Hitta, K. Seki and Yoshio Yoshioka.

On the wall will be paintings and sketches by S. Wakai, Y. Kamita, T. Ishihara, D. Hamanaka, J. Fujimoto and R. Koyama.

"All residents are welcome to the exhibit and anyone wishing to join the classes may sign up at 8-10-C," said Yoshioka.

SCHOOLS TO OBSERVE "FOURTH"

Rohwer Center schools are going to observe the Fourth of July on July 5.

Flag poles have been erected in both school blocks 31 and 35 and on Monday there will be a flag raising ceremony. Block 35 will start at 7:30 a.m. and 31 will begin at 8:30. All pupils will report to school at the usual time.

Following the flag cere-

monies each block will have special assembly programs. The public is invited to both the flag raising ceremonies and assemblies. After the assembly there will be athletic events at both the Jr. and the Sr. High fields under the sponsorship of the physical education department. Events will last until noon.

At 2:30 p.m. the boys'

and girls' baseball and softball teams will engage with the Jerome High school teams.

The boys' baseball game will be held at the Jr. High school field while the girls' softball game will be held at the Sr. High school field.

School will be dismissed for the games.

At 8 p.m., cooperating with CA and the enter Center, the schools will stage a patriotic program. Lamar Williamson, Monticello attorney, will speak at the Center-wide attraction on the high school field.

"The schools invite the whole Center to participate in observing the Fourth of July."

Mess 26 Wins June Contest

In the June Sanitary Inspection contest, Mess hall 26 again placed first with the total of 2972 points.

Closely following were Mess halls 25 and 33 with 2960 and 2957 points, respectively.

Others in order through fifteenth place are Mess hall 11, 10, 32, 17, 7, 40, 39, 5, 9, 38, 1 and 24.

CO-OP GRANTED STATE PERMIT

On June 30, the Rohwer Cooperative enterprises was granted a permit to operate in the state of Arkansas.

In May the co-op was organized as a benevolent corporation by the District of Columbia.

With this permit, the co-op is able to make patronage refunds to its members and to divide the properties and assets at the time of dissolution.

NEW ASSISTANT FOR WELL-MANNED FIRE DEPARTMENT

Hays Millor, fire chief, has a new assistant in Don W. Jones. Jones will assist Chief Millor in directing the general duties of evacuee chief Nob Morimoto and his 46 firemen and two secretaries.

PS hall 15--"Saboteur"

PS hall 33--"Stanley and Livingstone"

June Report By Post Office

Only the stamp window will be open when the post office observes the Fourth of July on Monday. However, all mail for the Center residents will be delivered as usual, reports C. R. Bricker, superintendent of the post office.

During the month of June, 3109 money orders amounting to \$28,492.41 were made at a cost of \$303.95; \$1,651.08 worth of stamps were sold while 1049 C.O.D. packages were received.

With two Mack fire trucks having 750 and 500 gallon capacity and 1000 feet of hose on each, these fire-eaters have washed up 51 fires of all sorts within our Center. None of these mishaps were serious, according to our new chief.

Captains Shiro Morimoto, Kuni Shimamoto, Tosh Dote and Shiro Tanji head the four shifts that work 12 hours straight every other day. Drills are held daily and in the meantime, general instructions are taught including first aid classes.

More Rules On Seasonal Leave

Evacuees on seasonal leave who wish to go to some other locality on indefinite leave and who need financial assistance to get to the new place of employment should apply to the nearest relocation officer instead of returning to the Center, WRA ruled this week.

Specifically prohibited by the instruction are grants "where an evacuee (on seasonal leave) has returned to a relocation center merely to secure such assistance and to leave for other employment on indefinite leave and the travel back to the project and to the place of indefinite leave is substantially in excess of the travel distance from the place of seasonal leave to the initial destination on indefinite leave."

LOWER GRADES GIVEN "A" RATING

W. F. Hall, state elementary school supervisor, has sent word to J. A. Trice, school superintendent, that the elementary schools of Rohwer have also received the "A" rating.

Because a list of the high schools was to be compiled by June 15, the local high schools received their "A" rating before the elementary schools

MARBLE CHAMPS WIN

Climaxing the recent marble-shooting rage here, the first Center Marble contest took place Saturday morning at the high school field. Forty-one boys competed for prizes in the two-hour tilt.

Shooting out 37 agates, Takashi Sato of 10-6-A came

out on top in the 12-15 years of age group. Second place was snatched by Baldy Takahashi of Block 8.

The 7-11 years of age group was divided into two teams. In team I, Henry Shimazaki of Block 10, recognized as the outstanding agate-aimer of the day, was acclaimed champion. He smacked out 45 agates. Placing second was Harry Gondo of 10-11-F. Third place was won by Roy Yamanaka of 7-3-A.

In team II, Akira Kasuyama shot out 27 agates to be the top winner. Second place was captured by Tets Kambara of 7-3-F. Chiaki Tamiyama of 7-8-F won third place.

Joining in the excitement of the tourney were over 40 spectators rallying for their favorites.

YBA TO ELECT NEW OFFICERS

With the new Buddhist Sunday school time set at 8 a.m., the Rev. S. Mizutani will speak at PS hall 28; the Rev. E. Unno at PS hall 23.

Bussei will have their election of new officers after the YBA service at 9:15 a.m.

Residents who wish to learn where the ashes of the persons whose funerals were held in Santa Anita assembly center are placed are asked to write to: Glasser and Johns Mortuary, Arcadia, Calif.; or see Shizuo Nakashita at PS hall 32.

CLUB NOTES

● The Commando's, a newly-organized unit in the Center club force, will barrage the local social whirl with a gala "Holiday Ball" on July 31 in Mess hall 12.

Advance notices report it to be a strictly couples-only affair, with refreshments for extra measure. Bids will be available at the block offices or from club members.

● "Troubles may come double when they're sweet troubles?"

The Gremlins gave a "Sweet Troubles" social Saturday night. Guests sharing the "troubles" were the Teensters, Subdebs, Rebels, Double Three Zeros, Rohwering P-40's and P-40'ettes, and the Block 12 group.

Novelty dances and refreshments were enhanced by streamlined decorations.

RFCC PRESENTS DR. GRISWOLD

Independence Day's RFCC English service will have Dr. Nat R. Griswold, director of adult education, delivering the sermon, "Laws of Spiritual Growth."

Special music will be sung by the Junior girls' choir; a duet number by Virginia Shiraishi and Akemi Kodama.

Hisako Kitaka will preside at the YPCF at 7 p.m.

YWCA BOARD MEETS

The YWCA board will meet Tuesday at 8 p.m. at the YW clubroom.

Local Scouts Visit Jerome

Yesterday was a red letter day for local Boy scouts as Rohwer's Court of Honor was held at Jerome.

Starting out here at 1:30 p.m., 174 scouts and scouters took the special trip which was made possible through the efforts and cooperation of Ray D. Johnston, Project Director, and J.A. Trice, superintendent of schools.

With Col. Neil Snyder, local district chairman, presiding, the Court of Honor was highlighted by opening and closing ceremonies, speeches, presentation of awards, and stunts by troops from both Rohwer and Jerome.

The scouts returned late last night. Scouts who participated in the recent local Camporee wore emblems of red, white and blue designed by George Akimoto, assistant scoutmaster of Troop 90.

BUSSEI GIVE FACTS ON STORED PROPERTY

The following notices on stored evacuee property were released by the local Buddhist office:

"Evacuees from Southern California who have their goods stored at the Four Star Storage are asked to see if their paid terms are up or not.

If the terms are up, they are asked to contact Steve Creta of the Four Star Storage. They have not heard from Creta because he has lost track of many of the people."

According to a letter from the Rev. J. Goldwater, "evacuees who have their goods stored at the Los Angeles Betsuin Temple have nothing to worry, since the Temple is in fine condition."

MICHIGAN LETTER INDICATES FRIENDLY ATTITUDE TO NISEI

The attitude of the outside public to the evacuees can be reflected by the type of letters that have daily been coming into the Center. Among the most interesting notes has been one received by Kingo Tasugi, staff member of the OUTPOST Japanese section.

Printed below is a copy of the letter sent to the employer of Mr. and Mrs. Henry Shimizu, formerly of Block 2, and now resettled in Michigan.

The letter invites the couple's sansei sons, 10 and 12 years old, to spend a week at the boy's summer camp, Camp Manitor-Lin, sponsored by the Grand Rapids, Mich., YMCA, at the same time the employer's sons attend.

June 15, 1943

"Mr. John Timpson, Lowell, Michigan

Enclosed are application forms for the two American Japanese boys living on your place. We will be happy to have them in camp as our guests for the week that your boys attend. The applications should be returned to me at Middletown.

The boys' parents may be interested in knowing that when I asked our present camp group whether we should invite the boys, I could hardly get my question out of my mouth before all hands shot up in the affirmative!

Looking forward to seeing the boys, I am

Very sincerely yours,

Former Queen Attendant And "Dukes" Relocated

Since the memorable Queen Contest, climaxed by the Cornation Ball on February 27, relocation has robbed the Center of some of her beautiful contestants, as well as most of the Royal Dukes, the sponsors.

Among those missed are gorgeous Rosie Matsumoto, queen attendant, now employed as a secretary by the Johnson Milk Company in Detroit, Mich.; pretty Jitsuko Kimoto, contest runner-up, who is in domestic work in Chicago, Ill.; and cute Janice Uyoda, also a participant, attending Gregg college in Chicago.

Versatile Icy (Isao) Hasegawa, emcee for the Ball and all-Center basketball guard, is now on the payroll of a

TRAVEL HINTS FOR EVACUEES

With many leaving for new jobs in widely dispersed areas, information on the problems that continually came up is invaluable.

D. K. H., now living in the Detroit district, gives the following pre-travel and traveling hints:

1. Get necessary traveling instructions straight before departure.

2. Get as many letters of references, addresses and phone numbers as possible. There is always a chance that you may get into a tight spot. Your ministers and administrative heads may be able to help you.

3. Try to obtain a city map of your destination. This is almost a must. A map becomes inseparable until one gets the feel of the city.

4. Travel as light as possible. One small grip containing change of clothes for one day is sufficient. Toilet articles are essential but large grips should be avoided. Bring an overcoat, if possible.

5. Send your baggage on the baggage car. You will receive it one day after arrival.

6. Prepare a lunch box. Dinners are few and far between. The candy and sandwich man usually sells out before he reaches you.

7. Travel in pairs or with a seasoned traveler. It's impossible to get seats for a large number. When you find an empty seat, grab it then and there.

8. Don't be afraid of your fellow passengers. Strike up a conversation and you'll enjoy your trip. Be considerate and friendly.

9. Be alert when changing trains. When in doubt, ask. Be at the gate an hour in advance, wait patiently, sprint (don't walk) when the gate opens and your chances for seats are good.

10. Phone the hotel, hostel or YMCA for accommodations before you take a taxi.

11. Stay out of the city's bar rooms. Don't bunch up and parade down the street conspicuously.

NURSERY SCHOOL PROGRAM GIVEN

With Mrs. Josephine Lawrence as nursery school head, 7 evacuees teach in Blocks 31 and 35.

They are Misses Asayo Morishige, Masako Fujita, Jane Fujimoto and Todiko Shibata of Block 31 and Betty Yamauchi, Mesdames Fusaye Oshima and Frances Arakawa of Block 35.

There are a total of 110 youngsters in both blocks, averaging about 4½ years of age. In each block there are 2 classes, the morning classes from 9 to 11:30 a.m., and the afternoon, 1:15 to 3:45 p.m.

The following is a general schedule for the morning classes: 9 to 10 a.m., a free play period out of doors. At present they have no equipment, but the high school boys are making saws and swings for them. In the creative arts period, they draw, listen to stories, play in the toy band and sing. Before the end of the morning, they have a rest period.

The afternoon schedule has free play from 1:15 to 1:30 p.m. and a nap period from 1:30 to 3 p.m. The nap is considered the most important thing in the afternoon classes. They also have a creative arts time.

For the rest periods the warehouse has loaned them about 11 cots, mattresses and sheets each. Because they lack space and facilities, 2 tots sleep together.

"The main purpose of the nursery school is to provide proper environment for social, emotional, mental and physical development. It

is established so that the youngsters will have a step between their mothers and leaving homes for elementary school and will learn to play with tots their own age. Parents are always welcome," says Mrs. Lawrence.

If there are any Center residents who have scrap materials, wood blocks, paper, spools and other things, they are asked to bring them to 31-1-F.

BACCALAUREATE FOR SENIORS

The Baccalaureate service for the summer '43 class will be held Sunday, July 25, at Mess hall 35. With the music provided by the high school music department, the program will have a guest minister.

Graduation will be held July 30 at Block 35.

There will be student speakers instead of outside speakers and 155 diplomas will be awarded.

It will be a twilight ceremony.

ALL-STARS PLAY STOCKTON NINE

July 3, 1943 Page 7

MILITARY POLICE TILT CALLED OFF BECAUSE OF FURLOUGHS

The proposed return game between the Military Police and the Rohwer "A" League All-stars was postponed because most of the soldiers are on furlough.

However, in place of the aforementioned game, the "A" League All-stars will play the Stockton Rebels, strongest nine from the Stockton center. The tilt will be played tonight at diamond 3 on the high school field.

The Stockton nine boasts the services of many of the topnotch baseball players of this Center. The two Kamibayashi brothers, Frank and Sam, will hold down the left side of the infield, while Kiichi Hiramoto will be on the keystone sack and young Sam Ichiba will perform on first.

Kaz Hiramoto, Mike Takeuchi, Tak Fukushima and Tak Horita will roam the outfield for the Rebels.

Akira Kamo will toe the rubber with Tsukasa Matsuda receiving his slants.

Hurling for the All-stars will be Sam Iida, the chucker with control. Mas Sugii will again backstop. The All-stars have yet to taste the sweets of victory, going down to a 2-0 defeat against the Military Police nine last week.

The All-stars will have to play better ball than they did last week to win as the Stockton squad is one of the better nines in this Center.

YAMATOS MEET STRONG LODI TEAM SUNDAY

Three Stars Play Dodgers Today

Trying to stay in the "AA" baseball league pennant race, the Three Star nine will cross bats with the youthful Dodgers this afternoon at the Junior high school diamond.

A win for the 'san-bon' Star team will keep them right up there in the thick of the race, while a win for the Dodgers will enable the Mizufuka nine to climb out of the cellar.

Chucking for the Dodgers will be young Joey Noma, who lost a heartbreaker last week to the Lodi nine. If the prep ace hurls a repeat performance like that Lodi game, the Dodgers can win the game--that is, if the support holds up.

The Three Star nine will have either Juli Nishimoto or young Kanji Omokawa on the rubber. Both can be depended on to chuck a good game.

Tomorrow afternoon will be the game so far as the league is concerned. Both the Yamatos and the Lodi nine must win in order to stay in the race.

The Yamatos have the power to win, while the Lodi Tomplers have the pitch- (Continued on page 8)

ROHWER HI PLAYS HOST TO DENSON NINE

Locals Favored Monday

Climaxing the special Independence Day school sports highlights, Rohwer high school's powerful baseball nine will tangle with Denson high school. The game will be held at the Junior high school diamond on Monday at 2:30 p.m.

The neighboring school has dropped two games to the locals, 11-7 and 14-1, and will be out to cop their (Continued on page 8)

BENCH WARMER

By
KANGO

Not many facts are known on the Military Police nine by the Center fans, so I asked their public relations officer, Corporal Paul Lucas, a few questions on the soldier nine.

Their ace pitcher has been erroneously written as a Sergeant through this medium. In reality, he is Private Burke, not Sergeant

Burke. I guess I gave him a cheap thrill for a while.

A former semi-pro, all Private Burke has to do is to wave his arm and the batter wouldn't know if he pitched a ball or not. Most batters have yet to see his ball.

The service team has piled up eleven consecutive victories to date and has never been on the losing end. Last week, they took down Jerome's Military Police team for the third straight time.

GIVE HIM A HAND

No doubt, most fans noticed the backstop at the Junior high school

field.

The man responsible for the huge backstop is baseball commissioner George Horita, one of the hardest working individuals in the athletic department.

To call it a good job is to belittle it. When George undertook the huge task, he had only a limited amount of lumber and help was also rationed. With only a handful of helpers, he has built as fine a backstop as one can find in any center. The screen was received from Jerome. With what material he had on hand, George has done a magnificent job.

Block 20-13 Cops Girl's League Opener, 12-5

In the Girl's league opener, the Block 20-13 combination team downed the Block 23 squad, 12-5, Wednesday.

The tilt was close until the disastrous third inning when five Block 20-13 girls crossed to put the game on ice. Errors proved the downfall for the Stockton team.

Terry Yoshizaki pitched a good game, allowing only six hits. Chizuko Mino of the victors socked a homer in the second inning with two on to climax a four-run inning.

Score by innings: R H E
Blk 23----5000000- 5 6 8

Batt: Ohata and Ito; Yoshizaki and Hidaka.

ing to win, so whichever nine that gets the breaks should win.

Hurling for the Stockton squad will be burly Archie Miyamoto. Archie, a former Monterey Minato ace, has enough power to fog that pellet right by the batters.

Opposing Miyamoto on the hill will be either Will Kagawa, Lodi's bespectacled ace, or Kaz Ito, an old timer who still can show the youngsters a thing or two when it comes to pitching. 'Fats' Ito, who can play any position on the diamond, is at present owner of a fat .666 batting average.

THREE NEW SOFTBALL LOOPS FORMED

In a softball manager's meeting Wednesday night, three softball loops were formed. Following are the leagues and teams as released by Shiro Mizufuka, softball commissioner: "A" League--Royal Dukes, Rebels, Mutineers, #23 Yohudis, Block 9, Block 17, Jcker Y's and Flames.

"B" National League--Flukey Dukos, Block 3, Rohwering 20's, Sea Hawks, Block 2, Manhattaneers, Lucky Strikers, Back-ups and Commandos.

"C" American League--Chiggers, Ramblers, Fighting '41, Mighty Nine, Double 3 Zeros, Maguro All-Stars, Taiyos and #25 Mikados.

The Three leagues will open on Wednesday, July 7th. The Stockton Rebels will tackle the Royal Dukes in the "A" loop opener. The Royal Dukes' little brothers, the Flukey Dukos, will play in the "B" National League opener against the Manhattaneers while in the "C" American League, the Double 3 Zeros will open with the Chiggers.

Issei Softball Heads Changed

Making a change in Issei softball heads, Ted Shironaka will take care of the Class C and Old Timer's League. Bill Tokunaga, Issei sports commissioner, will continue to be head of the State and D Leagues, Hank Sato, Men's Athletic Director, announced.

Baseball Loop Classifications Changed

George Horita, baseball commissioner, announced that classifications for the three hardball leagues have been changed.

All three leagues' classifications are advanced a notch.

The "A" league will be identified as "AA"; the "B" league changed to "A"; and the "C" loop to "B".

Denson Hi Seeks First Win Over Rohwer Monday

first game against Rohwer's high-riding juggernaut.

Hurling for the visitors will be Jim Tanigawa, who was battered from the mound in their last engagement. Tanigawa has shown marked improvement since the last disastrous tilt and will attempt to stem the tide the local nine is riding on.

Opposing the Jerome chucker will be Joey Noma, the pride of the local prep school. In the last engagement with the Denson squad, he hurled a four-hitter while allowing only a single tally. Backstopping for the locals will be Frank Nakamura.

The power-laden locals will again have the services of such dangerous batters as Sam Kamibayashi, Buck Sakurai, Sat Oune, Sam Ichiba and the rest. Once the boys find the range, woe is the opposing pitcher!
